

Help Wanted In BULGARIA

HELP WANTED - Sold Out – Committed People to join the Team Bulgaria. Several Positions are needed and being developed. Possibilities include:

A) **Micro Enterprise/Small Business Development Coordinator** - Some experience in developing a business plan. Needing to develop Micro Enterprise businesses to help with feeding programs. This will include researching and developing a plan to help create small business plus assisting with getting the start-up funds for this and finally helping monitor this as it gets started. Will require spending much time with a few as these new enterprises are getting started. Location for this will be in the Samakov Area of Bulgaria. (One or Two year VISA or Career Missionary)

B) **Training – Education Director** – We are working on getting a Pastoral Training program started – assisting with the scheduling and organization of these classes. This will include the coordinating of the travel plans of the visiting teachers, the details at each location and the tracking of those who attend for certification. Might also include the development of an English Class Outreach Class as a way to reach people to share the gospel message. Location would most like be Petrich or Sofia. (One or Two year VISA or Career Missionary)

C) **Career Missionary** to help with the growing Leadership Development work in Bulgaria – Much of it is following up on contacts we have of existing independent churches who are looking to connect with a larger church family. This will be partnering in the area of leadership development with the Training – Education Director and others Missionaries on the field to coach, mentor and assist in teaching. Location for assignment would be Sofia most likely. (Career Missionary)

D) **Children's Ministry Coordinator** – This would be working with the church helping them to develop plans and materials for teaching Children about Jesus. This would not be doing it as much as coming along side and teaching the leaders God has working with Children how to do it better. This is not being done so it would be a pioneer program for us. In many cases it will be helping the churches see the need to reach the children. Many of the churches we work with have no programs for the children and youth. (One or Two year VISA or Career Missionary)

E) **Youth Ministries Coordinator** - This would be working with the church helping them to develop plans and materials for teaching teens about Jesus. This would not be doing it as much as coming along side and teaching the leaders God has working with teens how to do it better. This is not being done so it would be a pioneer program for us. In many cases it will be helping the churches see the need to reach the teens. Many of the churches we work with have no programs for teens and the youth. (One or Two year VISA or Career Missionary)
