

**The “Virtual Christmas Gift Box” program is designed to not only help us give kids a Christmas who would not normally have one, but also to help the local Church or family teach their kids about giving.**

**Materials on how this works can be found at [www.almellinger.typepad.com/christmasgift](http://www.almellinger.typepad.com/christmasgift). Additionally, we have videos and materials that can be downloaded to be used to help with the promotion. Funds need to be in to us by November 30th each year so we have time to get the gifts prepared for each child.**

**If you have questions you can also call Al Mellinger at 419-617-4568 (rings in BG 7 hours ahead of Detroit).**
