

In every business, there are times when you want to thank the employee for exceptional service, winning a contest, an anniversary or just a “thank you” surprise.

Instead of just money why not give them a gift card that does more.

Marketplace Manna (MM) is a distributor of Scrip, that is Gift Cards. The added leverage of getting gift cards from us is that a percentage of what you pay helps us with our mission and the employee gets the full-face value of the card. Many card can be sent via email so you can set it up to go out to all at the same time as bonuses or Christmas Gifts.

Great for:
Incentive campaigns
Birthday Gifts
Christmas Gifts/Bonuses
Great Job Surprise
Employment Anniversaries

For example, you want to motivate your sales team and will give a \$10 Starbucks gift card for the highest producer every day for the week (5 days). You spend \$50 your employees get \$50 but MM also gets \$3.50 back from Starbucks to help us with our work around the world.

Now for Christmas you plan to give a \$100 bonus to all employees. If you gave them a Walmart, Target or Amazon gift card, \$2.50 would come back to MM for each gift you give. If you had 10 employees that equals \$25 coming back to help with our goals. It make your spending go farther and have a positive impact.

Additionally, your business can use Scrip for purchases in the company – we have office suppliers (2.5%), grocery suppliers (3%), gasoline companies for the company car (1.5%) and restaurants galore for the business lunches (7%).

We know that business are approach for donations all the time from schools, sport teams and other charities and they are all worthy of your support. Here is a way for you to help without spending more than you would already do – it just takes a bit of time and planning to make it happen.

Depending on how often and when you use this, the rebates back to Marketplace Manna could add up significantly. That means we get to help people as they are caring for their families!
